

*A Night to Remember*  
**Loy Krathong Festival**  
**Nakamanda Resort & Spa**  
**Thursday 22<sup>nd</sup> November 2018**

***A Night of Culture and Romance***

Loy Krathong is one of Thailand's most popular festivals. Celebrated annually on the full moon of the twelfth lunar month, the celebration is an expression of gratitude to the goddess of water, a thanksgiving for her providing this most important of resources to the people.

All along waterways throughout the kingdom, families and couples gather to float (or "loy") lotus shaped receptacles (or "krathongs"), beautifully decorated with flowers, candles and joss sticks. The flames from the candles signify longevity, a release of sin and fulfillment of wishes.

Hence the act of floating the *krathong* has also become a symbolic act for couples. It is said that couples who float *krathongs* together will stay together forever.

**Celebrate Loy Krathong, one of Thailand's most beautiful festivals with us.**
